| General Description of Statement of Work  |  |
| B4400 Natural Gas Boiler & Air-Cooled Chiller   |  |
| RFP Amendment Description   |  |
| This Amendment is issued in response to the following questions received:   |  |
| <p>1) <b>QUESTION:</b> Contractor was trying to decipher what MCC's are to be quoted on this project and would like to confirm if MCCs are Allen Bradley. Contractor said the transformers listed on the electrical drawings list Allen Bradley and the pictures on Appendix B show existing Allen Bradley MCCs. This leads contractor to believe they are Allen Bradley but would like to confirm before quoting.</p> <p><b>RESPONSE: The SOW did not include for replacement of MCCs, only minor electrical to support installation of new equipment.</b></p> |  |

All other requirements of the above referenced RFP and any previous Amendments remain unchanged.
